

Barbier Security Group offers the highest quality security services available. We have solved security issues for a range of clients including corporations, non-profit organizations, Fortune 500 companies, and individuals.

Our highly trained team of former law enforcement, military and security professionals is state certified and has passed our rigorous background screening process. They continually update and adapt their skills to ensure the utmost professional safety and courtesy to our clients. Training scenarios with local law enforcement agencies create a strong bond between the officers and our agents.

BSG services and scheduling are entirely flexible. Highly detailed reports are issued regularly. Client Feedback has shown our on-site services to be very effective in areas that frequently receive unwanted persons and vandalism.

True to the concept of full spectrum security, every assignment is carefully planned to give you the most complete coverage possible. You can be sure that BSG will deliver the best level of service for your security budget.

# Full Spectrum Security

## Vehicle Patrols

Our vehicle-based security service shuttles between locations and makes rounds at each property before moving on to the next site. Determined by the client, we make multiple, randomly timed stops.

## Security Agents

On site security guards provide continuous patrol of your property throughout the duration of their shift. 100% of the agent's attention is dedicated toward the site. Property protections include schools, homes, shopping centers, construction sites and office buildings.

## Event Security Guards

We design custom security for live events, private parties, weddings, and concerts.

## Consulting Services

Our Threat Assessment and Security Audit provide a detailed appraisal to determine your individual security needs.

## High Risk Employee Termination

Our agents will ensure protection during a termination where violence may occur.

## Personalized Training

We provide in-depth training of your staff. Our training programs include guard card, pepper spray, handcuffing, baton, and more.

## Surveillance Technology

We provide consulting and surveillance camera installation services to private residences, businesses, and schools.

## Executive Protection

For clients requiring more than simple security, Barbier Security Group is pleased to offer personal, professional executive protection services. Trained, experienced Personal Security Details assess and manage threats.
